## Ages 4½ - 6½

## Art Exploration (AE)

Our school year curriculum for this age group includes a mix of works on paper and sculptures which offers a variety of media and opportunities to develop the student's understanding of basic concepts and terminology used in fine art making.

## Ages 7 - 11

## Fine Art Fundamentals (FAF)

Students are challenged with more developed projects, with particular emphasis on the concepts of "composition" and "form." Each session focuses on a different set of mediums. New FAF students must take a 1-hour pre-Requisite class, with an additional fee of \$25.

Session 1: Drawing  
Session 2: Watercolor  
Session 3: Mixed Media  
Session 4: Acrylic Painting

## Ages 12+

## Advanced Exploration (AdEx)

This program is designed to develop students as independent artists by allowing them to explore their own concepts, techniques, and project planning. Teachers are on hand to offer guidance and demonstrations to help the students achieve their specific goals.
